

Dear Members,

DFDFCU knows we've thrown a lot your way, but change isn't always bad. Here is the latest update on our new DFDFCU Credit Card Rewards Program. The program started accumulating your points in February 2022, however the points listed on your current statement are only from September 21st through your most recent statement date. Once the rewards program is fully launched, you will see and be able to redeem all the points you have accumulated.

Beginning November 2, 2022, you will be able to redeem your available points by logging in to your [DFDFCU MyCardInfo Page](#). Once there, you will see a "My Rewards Button" which will direct you to the redemption site.

The DFDFCU Rewards Program was chosen because of the robust incentives and options given to our members. We can't wait for you to enjoy the many benefits. Stay tuned for further updates on the continued launch of DFDFCU Rewards!
